We are happy to provide a full framing service, with frame prices depending on the moulding chosen. The prices above are for a simple 1" - 2" black lacquered or natural oak moulding, and include cut mount and standard glass. Frames are either strut mounted or wired for wall hanging, depending on print size or client choice.

Digital Files

For clients who prefer to make their own prints, canvases etc., we supply high resolution files from your portrait shoot. The files are all hand finished, and are designed to make prints up to ~30" in the longest dimension. The files are supplied with a technical fact sheet, which should be read before using the files.
